Re: Defamatory Story Regarding Paris Hilton and C-Lo

Dear Sir or Madam:

This law firm represents Paris Hilton. It has come to our attention that Media Take Out ("Media") has posted an altered photograph on its website purporting to depict Ms. Hilton engaged in a sexual act with Cee-Lo from the musical group Gnarl's Barkley. Accompanying this photograph is a brief story in which Media suggests that this altered photograph is "proof" that Ms. Hilton indeed engaged in such an act and that a videotape of this purported act exists. The story and altered photograph can be found at the following link on Media's website: [http://mediatakeout.com/3644/exposed paris hilton caught with cee lo from gnarls barkley.html](http://mediatakeout.com/3644/exposed_paris_hilton_caught_with_cee_lo_from_gnarls_barkley.html). An uncensored photograph is also available for viewing on Media's website at the following link: <http://www.mediatakeout.com/NSFW/CeeLo.html>.

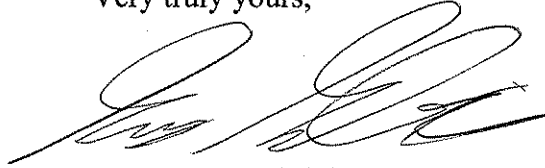

The altered photograph and accompanying story are patently false. Ms. Hilton has never engaged in any such acts with Cee-Lo. Falsely reporting that Ms. Hilton has engaged in lewd sexual conduct such as this is defamatory per se. Moreover, it is clear from even the most cursory review of this photograph that it has been digitally altered. In fact, numerous visitors to Media's website have commented that the photograph is clearly "phoney" and that it has clearly been altered by Photoshop. Accordingly, it is manifestly clear that Media has published this story with an absolute reckless disregard for the truth.

Based on the foregoing, we hereby demand that Media immediately remove the photographs and accompanying story from its website. Should Media fail to comply with the foregoing demand, Ms. Hilton will not hesitate to exercise all of her legal rights against Media, including initiating litigation against Media for defamation.
